To make donations to such persons and in such cases, and either of cash or other assets, as may be thought, directly or indirectly, conducive to any of the Company's objects, or otherwise expedient, and to subscribe or guarantee money for charitable or benevolent objects, or for any exhibition, or for any public, general, or other object:

To enter into any arrangement with any Government or authorities, supreme, municipal, local, or otherwise, and to obtain from any such Government or authority any rights, concessions, charters, and privileges which may be thought conducive to the Company's objects or any of them:

To purchase or acquire and otherwise undertake all or any part of the business, property, or goodwill and liabilities of any company, corporation, society, partnership, or persons carrying on or about to carry on any business which this Company is authorised to carry on, or which is in any respect similar to the objects of this Company, or which is capable of being conducted so as, directly or indirectly, to benefit the Company, or possessed of property deemed suitable for the purposes of this Company, and to enter into partnership or into any arrangement with respect to the sharing of profits,

To dispose of by sale, lease, underlease, exchange, surrender, mortgage, or otherwise, absolutely, conditionally, or for any limited interest, all or any part of the undertaking, property, rights, or privileges of the Company, as a going concern or otherwise, to any public body, company, society, or association, or to any person or persons for such consideration as the Company may think fit, and in particular for any stock, shares, debentures, securities, or property of any other company:

To promote or form, or assist in the promotion or formation of, any other company or companies, either for the purpose of acquiring, working, or otherwise dealing with all or any part of the property, rights, or liabilities of this Company, or any property in which this Company is interested, or for any other purpose, with powers to assist such company or companies by paying or contributing towards the preliminary expenses thereof, or providing the whole or part of the capital, or by taking or subscribing for shares therein, or by lending money thereto upon debentures, securities, property, or otherwise; and further to pay out of the funds of the Company all expenses of and incident to the formation, registration, advertising, and establishment of any other company, and to the issue and subscription of the share or loan capital, including brokerage and commissions for obtaining applications for, or placing or guaranteeing the placing of the shares or any debentures, debenture stock, or other securities of this or any other company, and also all the expenses attending the issue of any circular or notice, or the printing, stamping, and circulating of proxies or forms to be filled up by the members of this, or connected with any other company; and to undertake the management and secretarial or other work, duties, and business of any company on such terms as may be determined:
